ELLIOT FOUTS

Los Angeles, CA | (707) 535 – 6419 |elliotfouts@gmail.com

Technologies

HTML	Javascript	C++
CSS	Node.js	MongoDB
Git	Express.js	MySQL

Education

UCLA | Computer Science (B.S.)   2018 - 2022
GPA: 3.7
Specialization in molecular genetics
Relevant Coursework:

Multivariable Calculus I and II	Introduction to Computer Science I and II
Linear Algebra with Applications	Physics of Electric and Magnetic Fields
Chemical Energetics	Molecular and Cell Biology

Experience

Bruin Initiative | SAT Tutor   2018 - 2019
- Taught free SAT math tutoring sessions to local high school students
- I introduced them to not only mathematical methods but general problem-solving techniques as well

Project Literacy | Language Tutor   2018 - 2019
- Tutored local elementary school students in school subjects where they have received a less-than-adequate education
- Aided students in completing assignments and understanding curriculum and created a plan with their parents which would establish a learning-conducive environment at home

The Bruin Experiment / Volunteer   2018 - 2019
- Provided weekly presentations to local middle schoolers explaining topics such as the scientific method, hypothesis writing, and methods of experimentation
- Guided students to create science experiments of their own which culminated into a science fair judged by UCLA professors

Languages

Spanish (proficient)

Awards

California Scholarship Federation	2018
National AP Scholar with Honors	2018
UCLA College Honors Program (2018 - present)	2018 - present

Certifications

UCLA Extension Full-Stack Web Development Bootcamp	2018 - present
